# DANCE PARTIES at UBD

## What is a Dance Party?

A fun filled way to celebrate your birthday or special occasion with your friends and family. Learn some of the coolest dance moves in a professional studio environment! You can pick from Hip Hop or Themed dances like "Princess Party" or "Rock Star Party" or any other ideas you might have.

## How Many Friends Can I Bring?

You can bring up to 25 friends to UBD for your party.

## What is the Cost & Length

Cost is \$150 which includes: space, teacher, birthday sign, 2 tablecloths, 2 tables set up for distributing your food/gifts, garbage bags for cleaning, clean up, and UBD goodie bag which include a couple pieces of candy & a UBD coupon. Your food is to be presented at end of party, after dancing and with students seated at tablecloths picnic style. The length of the party is 1hr and 15minutes. You may arrive 10 minutes early for set up. Parties must end promptly for proper clean up. Additional time may be requested at the rate of \$25 pr half hr.

## What Do We Do During the Party?

The dance/game portion of the party is 45-50minutes long. Students learn a short dance routine to a fun song. After short fun routine is taught, students will play a couple activity games; freeze dance, 4 corners, twister and limbo. After dancing and games the party family may use the dance space the remaining half-hour for your gifts and/or food. Teacher will help at end with clean up. (Parents will have chairs set up in the hallway so they can sit and watch the dance portion of the party.)

## How Do I Book a Party?
